

***“You’ve given my son help with his reading and math, that he desperately needed, and provided a safe and fun environment to do so.”***

That’s a quote from one of our parents and the best reason to support this year’s Lead Off Dinner.

Our work is engaging youth in underserved communities and changing their lives. As we continue to play an essential role in our community by providing educational programming, as well as building character through sports, your support is important.

**This year we’ve set a fundraising goal of \$50,000.  
You can help us reach this goal!**
